The Homeowner's Seasonal Yard Care Guide

A free homeowner guide from quicklandscapecare.com

Which Service Tier Do You Need?

Basic maintenance

- ☐ For yards already in generally good shape
- ☐ Routine mowing, edging, and light upkeep

Seasonal cleanup

- ☐ For yards neglected for a season or more
- ☐ One-time deeper service before switching to routine care

Design consultation

- ☐ For a completely new layout or major features
- ☐ A planning and installation project, not maintenance

Seasonal Cleanup Checklist

Spring

- ☐ Clear winter debris
- ☐ First mowing and edging of the season
- ☐ Apply mulch to suppress early weeds

Fall

- ☐ Remove fallen leaves before they smother the lawn
- ☐ Final mowing at the right height for winter
- ☐ Prepare beds for the dormant season

Getting a Fair Quote

Before you sign anything

- ☐ Confirm what's included in the service tier
- ☐ Ask about frequency and seasonal adjustments
- ☐ Get at least two quotes for comparison
